MTO Contract No. 2020-4037
Kingston Dock Project**

NOTICE

Dear Wolfe Island Ferry Passengers,

This notice is to advise passengers that trucks containing time sensitive material will be transported by the Wolfe Islander III from the Kingston Dock to Dawson Point over the next two weeks.

Due to the time sensitive nature of the material being transported, trucks will arrive and be loaded onto the ferry from Kingston just before the time of departure. These trucks can be expected between 10:00AM and 3:00PM from Monday to Thursday.

Please ensure you follow the direction of the dock attendants while entering and navigating the marshalling area.

Apologies in advance for any inconvenience this may cause.
